We are looking forward to a wonderful year of learning the Word of God, equipping our children to live and spread the Word of God, forming strong relationships, and honouring Him in everything we are and in everything we do.

Our heartfelt gratitude extends to the parents for the invaluable effort you invest in assisting the children and youth to engage with our programs. We wholeheartedly encourage your active participation, as we recognize that your direct involvement is the cornerstone without which our organizational endeavours can fall short of their potential.

We invite you join our journey of service and growth by joining our Children's Ministry volunteer team. By sharing your time, skills, and love, you can play an instrumental role in nurturing their faith, curiosity, and confidence. Your commitment holds the potential to impact young lives and reflects the essence of servitude - your involvement truly makes a difference.
